

DIPLOMA IN HOSPITALITY PRACTICE & CERTIFICATE IN ENGLISH FOR TOURISM AND HOSPITALITY

SKILLS-BASED PROGRAM

ABOUT THE PROGRAM

The **Diploma in Hospitality Practice & Certificate In English for Tourism and Hospitality** is a skills-based program.

Our program provides an ideal starting point for students entering the hospitality industry, recent school leavers, career switchers, or students returning to the hospitality. Upon completion, students will have acquired the essential skills needed for roles such as Front Office, Housekeeping, Food & Beverage, Concierge, and Guest Service. Additionally, they will develop the crucial vocabulary and speaking skills required both in academic settings and vocational contexts within the hospitality industry.

Our comprehensive program includes:
24 weeks of study followed by a **20-24 weeks internship**, providing a balanced blend of academic learning and practical experience.

Swiss Accredited & Flexible Program

Our program offers a unique opportunity to obtain a Swiss-accredited Diploma in Hospitality Practice and a Certificate in English for Tourism and Hospitality. All course materials are easily accessible on our learning platform, allowing students to access their courses with just one click.

Program Structure

Program includes nine (9) courses plus one full-time internship.

Part A. Onsite

You will have a 20 week study period, during which you will delve into the 9 core courses.

Part B. Internship

Undertake a 24-28 week internship providing you with practical skills in the tourism and hospitality industry.

About the Program

While studying, you can immerse yourself in the unique culture and cuisine of Thailand and Asia, and explore neighboring Asian countries at lower costs. Our program equips students with the essential skills needed for employment in the hospitality, tourism, recreation, and sports industries, and also prepares them for further studies. This comprehensive education will set you on a path to a successful and rewarding career.
